Location: <b>Division of Epidemiology, Environmental and Occupational Health Communicable Disease Service 135 E. State Street, 2nd Floor Trenton, NJ 08625</b>			Scope of Eligibility/Open to: <b>Applicants who Meet the Requirements</b>
<b>GENERAL DESCRIPTION</b>			
<p>Under direction of the Communicable Disease Service, plans, initiates, ensures implementation of and evaluates COVID-19 nursing related program activities; supervises the performance of Public Health Consultant 2 or other personnel. Plans, develops, coordinates, and evaluates the consultative, supervisory and other nursing services essential to implementing COVID-19 program objectives. Serves as senior technical consultant to other nursing and public health professionals concerning nursing-related program activities to prevent and respond to COVID-19 transmission; may include work with healthcare settings, long-term care facilities, schools, daycare, camps, and other congregate settings. Provides consultation and participates in design and implementation of research activities with nursing and public health implications related to COVID-19 transmission. Facilitates and initiates interdisciplinary collaboration among various programs, agencies, and departments engaged in health and educational activities to prevent and control COVID-19. Assumes responsibilities for interpretation and education concerning the nursing knowledge base essential for maintaining standards of nursing practice. Prepares clear, sound, accurate, and informative statistical and other reports and correspondence containing findings, conclusions, and recommendations for COVID-19 and other infectious diseases.</p>			
<b>REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)</b>			
<p><b>EDUCATION:</b> Graduation from an accredited college or university with a Bachelor's degree in Nursing supplemented by a Master's degree in a nursing specialty or other related field.</p> <p><b>EXPERIENCE:</b> Four (4) years of nursing experience in public health and/or hospital nursing, two (2) years of which shall have included teaching, administration, and/or consultation, one (1) year of which shall have been supervisory in nature.</p>
